

# EVENT – TUESDAY 17 MAY 2022

Consulting Surveyors SA have scheduled the following workshop:

## “Determining Professional Hourly Charge out Rates”

Following on from our previous 2 sessions on the topic of Professional Fees, “What does it mean to be a Professional” and “Professional Fees – profitability is more than price”, we are holding the final session in this series offering members a hands-on means to determining professional charge out rates.

These sessions have been received well and this one will detail the following:

- Determination of business overheads
- Calculation of hourly charge out rates for staff
- Other business activities aimed at sustainable profitability

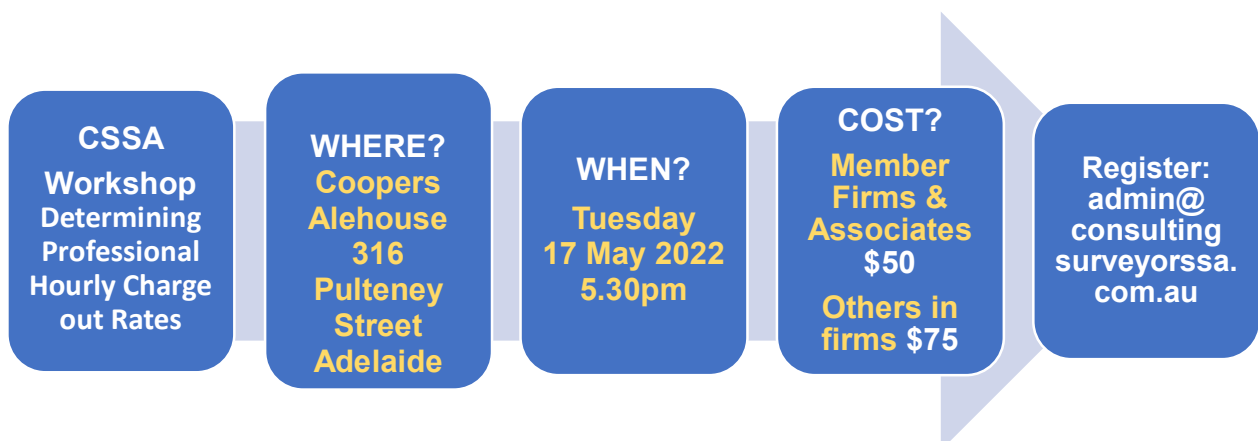

Our ultimate aim is to publish a guide drawing on each of the 3 sessions with the necessary formulas to calculate these rates within members’ own business context.

**Presented By**  
**Chris Hanna**

**Pitcher Partners Accountants**

Pitcher Partners is an association of independent accounting and business advisory firms who have a strong reputation for providing personal service and quality commercial advice to our clients across a broad range of industries.
